### INGREDIENTS

- 1 cup tonic water
- 1 cup lemonade
- 1 cup blue curaçao
- 1 cup vodka (optional)
- Fresh fruit for garnish (like blueberries and lemon slices)
- Ice cubes

### DIRECTIONS

1. Start by filling four glasses with ice cubes.
2. Pour 1/4 cup of blue curaçao into each glass, allowing it to settle at the bottom.
3. In a separate container, mix the tonic water and lemonade together.
4. Slowly pour the tonic water and lemonade mixture over the back of a spoon into each glass, creating a layered effect.
5. If desired, add vodka for an extra kick.
6. Garnish with fresh fruit and watch the colors change as the tonic water reacts!
