INGREDIENTS

- 3 cups of popcorn (popped)
- 1 cup of pretzel sticks
- 1 cup of chocolate candies (like M&M's)
- 1 cup of pastel-colored marshmallows
- 1 cup of nuts (optional)
- 1/2 cup of white chocolate chips

DIRECTIONS

1. In a large mixing bowl, combine the popped popcorn, pretzel sticks, chocolate candies, pastel marshmallows, and nuts (if using).
2. In a microwave-safe bowl, melt the white chocolate chips in 30-second intervals, stirring in between until smooth.
3. Drizzle the melted white chocolate over the snack mix and gently toss to coat everything evenly.
4. Spread the mixture onto a baking sheet lined with parchment paper and let it cool for about 15 minutes.
5. Once cooled, break into pieces and serve in festive bowls or bags.
